Most Respectfully

As per your directions contained in your last letter to the undersigned regarding direct contact with the Prison representative Mr. Mohd Ali, it is stated that the undersigned met him in his office at Peshawar and CLEARED all the requested material. Hence this request may please be closed now with the title as Requested Material Delivered.

I am very much thankful to this great new public institution in getting my due right to information.

I have noticed that as per RTI ACT 2013, now the web sites of public institutions have started displaying the most needed PROACTIVE DISCLOSURE button. Thanks to KPK RTI Commission Team. I am whole heartedly available to serve this great institution in any capacity, to getting the masses their most important right to information, if and whenever I am contacted.
